SPOTLIGHT EVENT: SGA ELECTIONS
March 26–28, 2018 | Vote on the Involvement Network

"The Student Government Association (SGA) of the University of Georgia is the organized outlet for students to enact change and improve this university. We pride ourselves on being the voice of every Dawg. We realize how much you commit when you become a student of this institution. That’s why SGA strives to protect the rights of every student. We are advocates of diversity and inclusion. We recognize that the student experience cannot be defined by a Saturday in Sanford Stadium, nights spent studying in a coffee shop, library or the Miller Learning Center, involvement in one of our hundreds of campus organizations, or even by a degree from our nationally-ranked schools and colleges. Student life is defined by the 34,000 individuals who bring this campus to life. We believe that no matter where you choose to invest your time at UGA, your opinions on this university should be heard. We believe that your voice matters." (https://www.ugastudentgovernment.com/about)

Vote in this year’s student body elections for: the executive ticket, your college senator, campus life senator, and the at-large senator for Student Affairs so that your voice can be represented!

**TRANSFER STUDENT TESTIMONIAL: WILL HOLDER**

From where did you transfer?
I transferred from Georgia State University.

What brought you to UGA?
I always wanted to come here as a kid, but I ended up doing other things. I really like the campus, the environment, and everything UGA has to offer both academically and in terms of involvement too.

What does being at this spring’s New Student Welcome mean to you?
I enjoy learning different things that I might not have known about. I really like connecting with new people, and getting to know how everything [here at UGA] works.

To connect with us, call (706) 542-7774 and ask to speak to a Student Care and Outreach Staff member.
